Right through the waves of Night

Am E

Playing the ocean-tune

E A⁷

Falls down golden light –

Am E

Touch of the Goddess-Moon.

E Am

She tells me once again

E

Story of Love and Fall:

E Am Adim⁷ (VII Adim⁷ (IV Adim⁷ (I) E

Once, only once she failed – And lost All.

Em

Looking for revenge,

C H⁷

When her God fell dead,

Em

Chaos left within

C H⁷ Am Em Am Adim⁷ (VII Adim⁷ (IV Adim⁷ (I) E :||

Only Rage of Sad.

E A⁷

Bright was the fury Night

Am E

Mixing the Light with Shade,

E A⁷

And what was kept inside –

Fiery Storm had made.

E Am

Flame of the darkened Heart –

Its unforgotten Path –

Looking for the Try

She has made her Choice:

With enemy – to die.

E A⁷
 Kind was to her the Night:
 Am E
 Earth burnt among the Stars
 E A⁷
 With no place to hide -
 Am E
 He couldn't go far.
 E Am
 She wore the fire-dress;
 E
 Dark of abyssal Eyes
 E Am Adim⁷ (VII Adim⁷ (IV Adim⁷ (I) E
 Looked for the One in mess - Who should die.

Em
 Looking for his Blood -
 C H⁷
 By the Law to spill -
 Em
 Prayed she for the Death:
 C H⁷ Am Em Am Adim⁷ (VII Adim⁷ (IV Adim⁷ (I) E :||
 "Come to world you feel!"

E A⁷
 Right through the waves of Night
 Am E
 Shone the Blade of His -
 E A⁷
 Fire turned up to Light,
 Am E
 Goddess fell on her knees...
 E Am
 Ocean - embraced her waist,
 E
 Touched her with kiss of Love;
 E Am Adim⁷ (VII Adim⁷ (IV Adim⁷ (I) E
 Death closed her eyes and gave Life - above.

Em
 Looking at her God
 C H⁷
 Down from the Skies -
 Em
 Goddess-Golden-Moon
 C H⁷ Am Em Am Adim⁷ (VII Adim⁷ (IV Adim⁷ (I) E :||
 Loves and lives and dies.
