

The Bell

Music by Vladimir Filippov – Lyrics by Vera Chukantsova

Em H⁷ Am Em

Em H⁷
God plays the flute that World is Good

Em
That World is Good Forever

Em H⁷
God plays the flute that World is Good

Em
Till men his Word remember

Em A
Devil plays the violin World is not what it seems

Em A
He calls... He calls the World... The World Disastrous

Em A
Devil plays the violin World is not what it seems

Em A
Till Evil tune... Till Evil tune... Till Evil tune is lasted

Em H⁷ Am Em

Em H⁷
Men catch the tune of flute and doom

Em
Of flute and doom And struggles

Em H⁷
Man's life for hell is like the Bell

Em H⁷
That echoes both sounds

Em A
Devil plays the violin World is not what it seems

Em A
He calls... He calls the World... The World Disastrous

Em A
Devil plays the violin World is not what it seems

Em A
Till Evil tune... Till Evil tune... Till Evil tune is lasted

Em H⁷ Am Em

Em H⁷
God plays the flute that World is Good

Em
That World is Good Forever

Em H⁷
God plays the flute that World is Good

Em
Till men his Word remember
